

THE VOIP TRANSITION

EVERYTHING TO EXPECT WHEN
LEAVING YOUR OLD PHONE SYSTEM!

01 Team Demo

A 30 minute to hour long demo with the team.

02 Provide Quoting Info

Info is collected (users, phone numbers, amount of physical phones needed) and factored into pricing.

03 Dial Plan Creation

Clients inform the team on how they want their call to be routed and record audio for a greeting message.

04 Phone Installation and Reprovisioning

On-site installation to verify a smooth transition, along with reprovisioning current phones.

05 Congratulations!

You are all set with your new phone system! You can now cancel all phone services with your previous provider.
